Dear Andrew,

Thank you for your interest in providing professional development opportunities to Maryland's early care and education workforce. The training proposal submitted for review has been determined as meeting the requirements for COMAR 13A.14.08 "Child Care Training Approval."

The following courses were entered in the Office of Child Care's automated tracking system under trainer approval number **CKO-157724**:

<u>Title</u>	<u>Course ID</u>	<u>Core of Knowledge/Hours</u>
<b>De-Escalation Techniques for Early Childhood Professionals</b>	<b>IF-05072024-01</b>	<b>Health, Safety, and Nutrition/2</b>
<b>Situational Awareness for Early Childhood Professionals</b>	<b>IF-05072024-02</b>	<b>Health, Safety, and Nutrition/2</b>

Please include your approval number, course ID number, content area(s), and hours on all training certificates.

Visit the training approval webpage for additional information regarding training approval and to access the most current resource documents.
